Re: Rodo, Inc. v. Guimaraes & Cohen
Case No.: 1:22-cv-09736-VSB-VF

Dear Judge Figueredo:

As the Court is aware, this office represents defendant Ari Cohen ("Cohen"). We submit this letter requesting an adjournment of the oral argument on plaintiffs' application for sanctions against non-party Exactcar that the Court just scheduled for this coming Tuesday, November 21 [ECF Doc. 83]. No prior request for an adjournment has been made. The reason for this request is that your Affirmant is scheduled to start a trial this coming Monday in a different matter, and we are unsure that the trial will be completed by the time of the scheduled oral argument the following day. This application is made on all parties' consent, and the parties are presently available for oral argument the following week, on November 27 or 28.

We thank the Court in advance for its kind consideration of this request.

Respectfully submitted,

Jonathan M. Cooper
